Event Background

On May 25th 2020 in Minneapolis, Minnesota an African American resident, George Floyd was killed during an arrest. The incident has sparked civic unrest throughout the United States. Protests originated in Minneapolis, MN with multiple buildings set on fire, large gatherings, and destruction of private property spreading to New York City, Chicago, and Atlanta making national news.

Starting on Friday, May 29th, there have been multiple rallies and demonstrations in the Seattle area. While most have been peaceful, some have caused property damage. On Saturday May 30th, the Seattle EOC activated to support response in coordination with multiple city departments for several scheduled marches and rallies in Seattle. The City of Seattle encourages community members to demonstrate safety and the EOC is monitoring the situation closely to ensure the safety and security of everyone involved. One rally is scheduled at 12PM at SPD headquarters with a march scheduled at 3PM from Westlake Center to the Federal Court House.

EOC Objectives

Objective 1: Develop and Maintain Situational Awareness Regarding Demonstration Activities

Objective 2: Provide Coordination And Support To Seattle Police As The Lead Department And To Other Departments Involved In The Response To Demonstration Events.

Objective 3: Address impacts to the community as needed.

Objective 4: Share Information with the Public and Stakeholders
